## Knights Of Columbus Michael J. Costello Council 6043 The Catholic Community Of Pleasanton Grand Knight's Message

Brothers,

We had a very good participation last month for the installation of officers during the July Membership Meeting. Thank you to those that attended, and I hope you were able to enjoy the social hour we had after the meeting. We are planning to have the social hour again after the next Membership Meeting. I would also like to thank the officers for agreeing to hold their positions. Tony Soby (Deputy Grand Knight), Mario Butzner (Membership Director and Chancellor), Robert Strawn (Treasurer), Joe Balestreri (Financial Secretary), Brad Schieferstein (Advocate), Bob Wolf (Recorder), Dave Seeger (Warden), Ryan Wibawa (Inside Guard), George Hegarty (Outside Guard), and Dennis Maurice (Lecturer).

Unfortunately, we had 3 Brothers pass away within a 10 day span: Ted Selna on July 21, John Gorman on July 30, and Bill Baldrige on July 31. Please pray for their souls and for their families.

The reception for Father Luke to celebrate his 25 her anniversary of his Ordination is Sunday, August 7. We will be cooking a BBQ for the event and we can use all of the help we can get. Even if you are not working the event, please wear your blue shirt and tell the men you see how great the Knights of Columbus are.

Have a wonderful month of August!

Vivat Jesus,

Grand Knight Tim Jorgenson

## *Notes Regarding the K of C Fourth Degree*

K of C Fourth Degree Report  
July 27, 2022

On Wednesday, July 27, 2022, K of C Assembly 1979, which is composed of the Councils from Pleasanton, Dublin, San Ramon, Livermore, and Danville, held the annual installation of officers.

Two of Council 6043 members were installed as officers. Dan Hughes as Captain and Robert Strawn returns as the assembly's Comptroller. Dan Hughes is now in position, if he wants, to be next year's Faithful Navigator, the leader of the Assembly.

Members of Council 6043 should use this year, to consider joining the Assembly, as a Sir Knight in support of PGK Dan Hughes. If you have questions about joining, please contact any of the following members of our council. GK Tim Jorgenson, DGK Tony Soby, Chancellor SK Mario Butzner, PGK Dan Hughes and PGK Jeff Brent.

In the coming year one of the banner events for the Assembly is the Red, Blue and Gold Dinner held in late April, honoring the First Responders of the Tri-Valley area. Last year our Council had about 3% representation compared to Danville which had 20% representation of all participants. As a Council we should show support of PGK Dan Hughes by considering attending this coming 2023 Red, Blue and Gold dinner, more information to follow in the coming months.

There is one important area where all members of the Council can help the Red Blue and Gold achieve their financial goals of raising funds to be donated. This money raising is done through advertising in the Red, Blue and Golds program. Many of our Council members either currently working or retired are aware of contact people in the local business's who can consider advertising in support of our local first responders. Note, many of the top 50 companies in the Tri-valley have major offices Pleasanton. Please share this information with PGK Dan Hughes.

Below are some photos of the recent Assembly Installation:

## From the Chancellor/Membership Director

Greetings Brothers,

Our Fall Membership Drive is not far away so I would ask you to begin considering how you can help our council grow its numbers. Last month, we mentioned reaching out to Catholic gentlemen in our community. Talk to them and offer to answer any questions they might have so they can prayerfully discern joining the Knights of Columbus. We have a big goal to reach this Columbian year so let's begin the effort now.

We continue to seek current Knights to act as mentors to our newer members. Mentoring is a great way to help those who have recently joined our council learn more about what we do. Consider being a council mentor.

At the last membership meeting we discussed ways of bringing our youth into the Knights of Columbus. While Supreme apparently no longer officially sanctions Squires Circles as they are called, there is the possibility of creating our own group of "Junior Knights" run under our local council. If you are a father, grandfather, or simply interested in forming an exploratory committee on this, please let me know.

Thanks and Blessings

Mario Butzner, Chancellor

## From the Council Faith Director

God is Faithful!

J.M.J

I ran across an article from the future Cardinal Marengo on 5 "Tips for fighting off the Devil".

1. *"The main path is prayer. And in that realm, Eucharistic Adoration and the different forms of Marian Devotion stand out."*
2. *"Adequate catechesis on the action of the devil and how to confront him."*
3. *"Opportunities for sharing where issues of demonology can arise in dialogue."*
4. *"Celebration of exorcism when necessary always respecting the norms of the Church."*
5. *"Formation of priests and religious regarding spiritual health and the fighting against the devil."*

*Interesting tips for sure! All these require a SPIRITUAL HEALTHY DISPOSITION, PRAYER, CATECHESIS, DIALOGUE AND SOMETIMES EXORCISM.*

*How is your spiritual health or journey through this life? Last year all of us were challenged by Father Mark to commit to 10 minutes a day in prayer. How is that going?*

*I, for one, find that I'm talking more to God and trying to create this dialogue and interaction throughout every decision in my daily life; sometimes responding to daily unprovoked actions on my part. I try to include God in everything in my life and yes follow the No's... "not now" response. All done for the greater Glory of God.*

*In essence I find my life less complicated and see the beauty of God's creation with better clarity. I'm not suggesting utopia just simple laid out plans that ARE easy to follow. God works in the here and now as well as the past, present and future. I work on the here and now minute by minute. I try to laugh more, rest more, help more and find an energy long lost forgotten in my 72 years of life.*

*This is but a reflection but can be a shared action plan for each and every one of you. Evil IS all around us but it does not have to infect or affect our daily life. What say you!*

*Respectfully, Dennis Maurice, Worthy Lecturer*

## Mothers and Children First

### ASAP, a new K of C pro-life initiative, encourages councils to step up support for young moms and children in need

By Columbia staff 07/01/2022

In early June, Supreme Knight Patrick Kelly announced the ASAP (Aid and Support After Pregnancy) program, a new Orderwide initiative to strengthen K of C assistance for pregnancy resource centers and maternity homes.

Over the past two decades, such organizations have grown substantially in both number and in the services they provide, and Knights of Columbus councils are already strong allies with many of the more than 2,000 pregnancy resource centers in the United States. In addition to placing ultrasound machines in pregnancy resource centers through the Ultrasound Initiative — more than 1,550 since the flagship program launched in 2009 — Knights served more than 1.7 million volunteer hours and gave over \$18 million in funds and supplies to pregnancy centers and maternity homes from 2018 to 2021.

The new ASAP program, scheduled to launch July 1, will build on that support: For every \$500 that a council donates to a qualified pregnancy resource center or maternity home — up to \$2,000 in the 2021-22 fraternal year — the Supreme Council will add \$100, a 20% increase.

See July *Columbia* magazine for remainder of article.

## 2022 BABY BOTTLE FUNDRAISER UPDATE

At this point, we have successfully collected \$8.2K, exceeding our goal of \$7.5K, which is our portion (25%) of the cost for a mid-range ultrasound device (about \$30K). These funds, together with matching funding from an organization called 4US and the national Knights of Columbus, will furnish a new ultrasound device for a pregnancy resource center called Next Step in Livermore (formerly Valley Pregnancy Center in Pleasanton). Following the recent selection of an ultrasound device by Next Step, on July 20<sup>th</sup> 4US issued a grant for their portion (25%) of the machine's cost. (See next page.) In addition, the application to Supreme for them to provide the remaining 50% was submitted to the State Deputy on July 26<sup>th</sup> for his signature and for forwarding to Supreme.

## CALIFORNIA PROPOSITION 1 ON BALLOT IN NOVEMBER

This proposition would enshrine the most extreme forms of abortion into the state constitution. The California Catholic Conference vehemently opposes this proposition, which would solidify and protect abortion on demand up to the moment of birth, with no medical reason necessary, and supported by taxpayer funds. This measure would align California with only a handful of countries in the world, including China and North Korea, rather than the vast majority of western democracies which do not allow elective late-term abortions.

To become aware of what actually occurs during an abortion, visit [whatisabortion.com](https://whatisabortion.com). This website, by the organization Live Action, presents short video depictions of the four most prevalent forms of abortion, narrated by four different female OB/GYNs, all former abortionists and all now pro-life.

To see pictures showing the horrible reality of abortion, go to [www.lookatabortion.org](https://www.lookatabortion.org). This is a Priests for Life website that shows aborted babies at early and late gestational ages.

(Note: Content on these sites not appropriate for children.)

If interested in joining the effort to defeat this proposition, contact John Reimer at 925-989-4847 or [reimer\\_jr@sbcglobal.net](mailto:reimer_jr@sbcglobal.net).

## A Call to Serve

We lead our families. We raise our children in the Catholic faith. We serve our parish and school communities. We do this because as men it is our responsibility, and as Christian men it is our purpose. As a Knight of Columbus, I know you are familiar with the term Stewardship as it applies to our parishes and their need for our gifts of Time, Talent and Treasure. Living our faith means giving of our "time" and "talent" and not just our "treasure" in the weekly collection.

Stewardship in the Knights of Columbus is exemplified by action in service to our Church and community. Our Order cannot perform our good works or operate without the "time" and "talent" of our brothers taking an active part. Officer positions and activity committee chairman in posts in your council need Knights like you to recognize these stewardship opportunities and volunteer to take on a leadership role.

Your council succeeds or fails based on the efforts, or lack thereof, of its membership (spoiler alert: That's YOU). Don't wait to be asked; step up and accept a leadership position, whether it's as a council officer or a chairman of one of the many programs your council supports. The grace you receive and the fraternity you experience with your brothers will far outweigh the effort you expend. Listen! Is God urging you to do more? Answer the call. Volunteer.

Worthy District Deputy 47

SK Mike Krausnick, PGK, PFN
