## Grand Knight's Message

Brothers,

I would like to thank all Brothers who participated in the Vigil and Funeral services for Fr. Paul as well as those who could not be there but prayed for him. Our Council was honored to be asked to provide an escort for his casket entering St. Augustine's for the Vigil as well as his departure to the Cathedral in Oakland. We were also able to provide an all-night Vigil with Brothers working in two hour shifts to be with him in the church till the Funeral Service on Friday. Special thanks to the Brothers who provided beverage service at the reception as well as collect and sort the vestments of the visiting priests. You were all declared "Knights of the Month" for your efforts.

I'd like to welcome 7 new members to our Council who were inducted in ceremonies at our March business meeting. They include Mark Berschen, David J Sanchez, Randy Haykin, John Reimer, Tim Jorgenson, Brian Langham and Derk Burrus. Please welcome them at our business meetings and at our events when they volunteer. Be sure to wear your Knight's Blue shirt at this and all of our events. Help to get them in to the swing of things at our events.

April will be a busy month for our Council as we will be providing support for Parish activities during Lent. The new Knights are encouraged to "get their feet wet" with any or all of these:

Donut Sunday is the first Sunday of every Month. This event gives the parishioners a chance to mingle with each other after Mass. Coffee and Donuts are served after each Mass (8AM and 10AM) at St. Augustine's Hall rooms 4&5 and SES where there is a Cookie Social at the evening Mass'. Help is always needed to assist with the setup, serving and cleanup and will give you an opportunity to meet some parishioners you did not know before. (Continued on next page)

## A Message from the Worthy Treasurer

The 2019 Easter Food Basket Delivery Sunday is approaching and we need volunteers.

St. Vincent de Paul will be assembling food baskets for the less fortunate in our community on the morning of Palm Sunday. As is the custom, the Knights Council will be delivering the baskets. We are looking for about 35 Knights, and their families, to assist in this worthy cause. We will also need about six volunteers to help in the hall. We will meet in the Parish Hall at 11:00 am on Palm Sunday. If we get enough volunteers we should be done by noon.

If you would like to assist, please send an email to Robert Strawn ([rlstrawn@pacbell.net](mailto:rlstrawn@pacbell.net)).

Thank you for anticipated assistance.

Robert Strawn

# UNPLANNED

Last week's private showing of the movie "Unplanned" was a big hit at the Regal Hacienda theater in Dublin and across 1000 theaters in the U.S. A pro-abortion newspaper columnist wrote, "By the end of the film, I was completely distraught, questioning everything I had ever believe about what abortion really was."

The movie about Abby Johnson's conversion from Planned Parenthood clinic director to pro-life advocate captivated audiences from coast to coast. She was the 26<sup>th</sup> out of 186 to leave the abortion industry thanks to the prayers and witnessing of the individuals participating in the 40 Days for Life campaigns over the years across our nation.

While the film has no nudity, violence or foul language it surprisingly did receive an "R" rating from the Motion Picture Association of America. It centers on a 20 second scene shown through the cameras of an ultra sound and depicts the fetus jumping, twisting and turning away from the canula probe as if to defend itself from an invader. This is not an actual abortion but one artificially depicted to look like one. This is the turning point in Abby's career with Planned Parenthood because P.P. had instructed her that pain could not be felt by the fetus until 28 weeks and Abby was assisting at a procedure on a fetus that was 13 weeks!

This movie will play in Dublin until April 11<sup>th</sup> and I strongly recommend seeing this movie. It can also be an education event to discuss this topic with your age appropriate children after they see it with you.

One of the producers of Unplanned is Chris Jones who grew up in Pleasanton, is a Knight of Columbus now living in Southern California.

### **The Way of the Cross**

***On each Friday during Lent (with the exception of Good Friday) the Stations of the Cross are recited by a different ministry of the Parish. On Friday, April 12th our council will have this honor. We encourage all Brother Knights and their families to attend as many of these as possible, but especially on April 12th while the Knights walk with Jesus on the Road to Calvary. The times are at 7:30PM at St Augustine's Church./***

## Message from the Worthy Chancellor/Membership Director

Thank you to everyone who helped during the March Membership Drive and Admissions Degree Exemplification. I really appreciate the support from all the wonderful Knights who gave up some of their time to help.

We have seven new Knights. If you are planning to attend the April Business meeting on April 11 and would like to be a mentor to a new Knight, please give me a call at (925) 202-3576. It is important that our new Knights feel included and have a source of information should any questions arise.

## From the Council Lecturer/Historian

### God is Faithfull

We are half way through Lent. A time of reflection and preparation, to experience how we carry our own cross and prepare for our eternal life.

Losing our Chaplin and Pastor, for me during my illness, gave me a wake up call of the distance we travel as Catholics in our spiritual walk. I can tell you I did not walk alone! Spiritual revelations guided me through pain and suffering. You as Knights carried me through that walk the same way you carried Father Paul through prayer and example. YOU were there praying for HIM with the Rosary as He was preparing for death. YOU were there at the all-night vigil. YOU were there guarding and protecting the body that defined HIS soul. YOU were there lining the entrance and exit route in and out of the church. YOU were there for Vesting and serving our Priests and community at the reception. YOU will always be there in supporting His family and This community in its hours of grief for as much time necessary to return to the vision of the faith community that Father Paul always wanted.

GOD hears your call of prayer and dedication.  
GOD showed us how to die to self for others.  
GOD died and rose from the dead for YOU.

I encourage you to continue to "walk the walk and talk the talk." Show all that we are Christians by our Love. Reach out to your fellow brothers and families as Knights of Columbus!

## 40 Days For Life

If you're looking for a worthwhile Lenten resolution please consider taking part in the 40 Days for Life campaign from **March 6 to April 13**. It requires prayer and peaceful conduct with no judgements and no offensive signs. It is not a demonstration to change laws. We hope to change hearts with the help of the Holy Spirit and perhaps offer a woman a last chance for help in a crisis pregnancy. Vigil location: Outside Walnut Creek Planned Parenthood. Vigil Hours: 7 AM to 7 PM daily except Sunday. Please sign up for an hour or more at any time during the campaign. During the last Fall campaign **4 confirmed saves** were made in Walnut Creek! ## From the District Deputy Ken Rief

Dear Brothers,

The Red, Blue & Gold (R,B&G) Banquet planning has kicked off and least there be any doubt in anyone's mind, this event is a district-wide Knights of Columbus event. While the Fourth Degree Assembly coordinates this event, each council in our district plays an important role in the success of this dinner.

For those not familiar with the event, the R,B&G banquet is where the District 41 Knights honor the Tri-Valley's Firefighters, Law Enforcement and Safety Officers of the Year. We present awards to the outstanding representatives of the 14 first responder agencies who protect the Tri Valley and thank them for their service. It is attended by almost 400 people that include the First Responders families and members of each council in the district. In recent years, the banquet has become a must attend event for local politicians, police and fire chiefs, Sheriffs, the county district attorney , local judges and many more public figures.

We need each council's support to ensure this event is a success by helping to sell tickets and advertising in the R,B&G program guide. Additionally, we need help getting table sponsors for the event. All these funds we raise enable us to make this event affordable and allows us to make a donation to the 100 Clubs of Alameda and Contra Costa Counties.

Finally, we need assistance in running the event. The work is not hard and it is mostly clerical in nature. Our goal is to have enough volunteers on the day of the banquet so that all brothers have time to enjoy themselves. Please give your Grand Knight a call or reach out to me if you want to volunteer or have questions. Thank you.

## What You Need to Know about Retiring

Retirement is approaching a crisis. In the coming decades millions of Americans will get too old to continue working without the means to stop. Millennials, crippled by debt from graduation, will turn this crisis into a catastrophe in about 40 years. And Social Security, designed to prevent exactly this problem, covers [less than half](#) of an average retiree's [costs of living](#).

It's beyond the scope of this article to discuss exactly how this happened, but if you're one of the many people who have fallen behind on retirement savings, don't panic. There's plenty you can do. But... it might not necessarily be easy.

The key is to think about retirement savings like a debt. This is money you owe to yourself and it charges reverse interest. Every day you go without adding money to your retirement account is a day you lose investment income. That's money that you'll need someday and won't have.

Next, take stock of where you are. How much will you want to live on in retirement and how much do you have saved today? Use our chart above. That will tell you how far behind you are compared to where you need to be. Are you a 40 year old with \$25,000 in savings who will want to live on \$50,000 per year in retirement? Then you've got \$75,000 you need to make up for.

Now, begin catching up. Chip away at that debt every week and every month. Pay into your 401k and IRA the same way you would whittle down a credit card. By thinking about it this way, as a specific goal, you can take away some of the fear of saving for retirement and turn it into an achievable (if large) amount. It's not just some big, black hole you can never fill. It's a number, and numbers can go down.

It won't necessarily be fun. You might have to cut back on luxuries or take on some extra work, but even if you start late in life you can catch up on your retirement.

Now's the right time to start.
