## Grand Knight's Message

Brothers,

November ended with the passing of SK Ellis Schott and Council Lecturer and SK Robert Federighi. Both fine Catholic gentlemen who contributed their persona to our events and activities in a way that was unique to them. It will be hard to have an event without them in our presence. Their passing has made me reflect on the value of all of you to our Council and to the Knights of Columbus. We all contribute our personal values and talents to make our efforts a success for our Order, Parish, Families and ourselves.

The services for Robert Federighi have been sent to all of you and hope that you can attend any or both of them to celebrate his life and support his family.

Festa Italiana was held with 232 attending. A 50/50 Raffle was held for the first time with the winner contributing their share back to the Council. Thanks to all who worked to make this event a success starting early in the morning to late in the evening with the cleanup. Your contributions and enthusiasm are what makes this a success.

November's activities included Memorial Mass at St. Augustine's Cemetery on Veteran's Day coordinated by Brother Paul Calderon, The Ron and Nancy Silva Coat Drive coordinated by Brother Bob Wolf and the distribution of the St. Vincent de Paul Thanksgiving food baskets coordinated by Brother Robert Strawn. Thanks to all of you who made these events a success.

December will continue with the Breakfast with Santa on the 9<sup>th</sup>, Parish Christmas Concert on the 14<sup>th</sup>, Council Christmas Party on the 15<sup>th</sup> and coordinating Parking for Christmas Eve and Day. Please volunteer if you can for these Council events.

Our Crabfeed on February 9 is fast approaching. Planning is starting on all aspects of this event which is our major fund raiser. Contributions from local businesses are being collected for the silent auction. Information for the Crabfeed will be sent separately and Signup Genius will be used to coordinate the volunteer activities for the event. Please consider helping out wherever you can.

21 November 2018, RIP

Peace, joy and love  
Robert

This Council's Worthy Lecturer/Historian, my friend, Sir Knight Robert Federighi died on Wednesday, 21 November 2018.

*Eternal Rest Grant unto him O Lord and may perpetual light shine upon him.*

— Fr. Paul Minnihan

*I still can't believe Robert is gone! He always spoke to me before and after every Mass he attended at Saint Elizabeth Seton. Eternal rest grant unto him Oh Lord, and may your perpetual light shine upon him forever!* —Fr. Kwame Assenyoh

*As only Robert could say, "I love you brother!". My first thought when I heard this devastating news was "I love you Robert". He will be missed by all those that knew him. He was one of the most spiritual people I knew.*

—Brother Dave Frankenberger

*My condolences goes out to his family. No words can be described how sorry I'm for the loss. My god have him in his kingdom. He Always greeted me with a smile and made me feel comfortable when I showed up for the meetings. He will be missed.* —Brother Emeterio Negrete Jr.

I go.....As a witness to the sanctity of life.

I go.....Because women deserve a better answer than abortion.

I go.....To change hearts and minds re: the acceptance of abortion in our society.

I go.....To be inspired and renewed in my task to help remove this evil from our midst.

## Report on the Patriot (4th) Degree

Brothers,

We are holding another Patriotic Degree on February 2, 2019. The Knights no longer require a waiting period between attaining Degrees. With that said, there will be Formation and Knighthood degrees in January that will qualify you to complete the Patriotic Degree. If interested, membership Darren Medeiros (darrenmedeiros@gmail.com) must be contacted ASAP so you are scheduled to complete the required exemplifications. The Assembly has to vote to approve your application. If you have completed your Knighthood degree please contact PGK Jeff Brent jeffbrent5309@yahoo.com if you are interested in completing the Patriotic Exemplification, further information attached.

As an active member of the Knights of Columbus, you and your family will have increased opportunities for service to our Church and your community. These opportunities are greatly enhanced when you accept our invitation to join the Patriotic Degree of the Knights of Columbus. When you accept our invitation to join the Patriotic Degree, you will stand by those that have fought to keep our country free. You will learn of the accomplishments of those who have formed our great country and those who have fought and died to ensure our freedom.

May God light your path,

PGK SK Jeff Brent

## Safe Environment Training for Council Members

A message to the Grand Knight from Lee Ann Harper, Office of Youth Protection, Manager, KofC Supreme

*As a general matter, the Knights of Columbus expects that those participating in Knights of Columbus sponsored youth programs or activities on diocesan/parish property comply with diocesan safe environment policies. The Order's main concern is that knights cooperate with diocese and be compliant with the diocesan policies for volunteers using diocesan/parish property. We encourage our members to comply with applicable diocesan safe environment requirements when using parish/diocesan property.*

*If you discover that a knight is conducting a Knights sponsored youth program on diocesan/parish property without having completed applicable diocesan safe environment requirements, we would expect and understand that you would act to prohibit him from continued participation in our youth program on diocesan/parish property. For the Order, it is sufficient reason for a parish or diocese to prohibit a Knights sponsored youth program because the participating members leading the youth program have not complied with the diocesan requirements, even if they have completed the requirements of the Knights of Columbus Safe Environment Program.*

*The Knights of Columbus Safe Environment Program training and/or background screening is in addition to the diocesan requirements. We take seriously our obligation to ensure compliance with our Safe Environment Program. On a weekly basis we review member compliance and follow up directly with members and their grand knights when members are noncompliant. When members are noncompliant they are removed from their youth serving roles.*

The Diocese of Oakland requires that all volunteers be trained to recognize and respond to the signs of abuse, to be informed of the reporting procedures and to learn how to safeguard the children and vulnerable adults in their care. Training is available thru VIRTUS and can be done on line or at a live training. Registration for either is mandatory. Trainings are available in Spanish and English. Check out the diocesan website for more information.

Bottom-line: we must follow the request of the Diocese and ALL VOLUNTEERS MUST take their training The knights training is in addition to the diocesan requirements.

The parish website includes a page on the training [<http://www.catholicsofpleasanton.org/safe-environment.html>]. The information on that page seems to cover most of the information on the comparable page for the Diocese [<https://www.oakdiocese.org/offices/safe-environment/safe-environment-and-victims-assistance?searchterm=safe+environment+training>]. The Diocese page does include access to locations scheduled for live training.

State Deputies, grand knights, and faithful navigators (if their assemblies sponsor a Columbian Squires Circle) are required to complete Praesidium's Armatus© youth protection training to help ensure that they understand the policies and procedures that members of the Knights of Columbus are expected to follow regarding the safety and well-being of young people served through the Order's programs and activities.

## Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.
