## Grand Knight's Message

Brothers,

October ended with Festa Italiana and the 50<sup>th</sup> Anniversary Mass. Over 50 Knights attended the Anniversary Mass and Fr. Paul said some very kind words about our Council indicating his appreciation for the value we add to the Parish. The reception afterwards was well attended with leftover food being sent to the Livermore Homeless Shelter. Pictures from the event can be seen on the Parish and Council website. Please send any other pictures that you may have to myself for inclusion on the Council website. Thanks to Steve Natale and all the Knights that made this happen.

Festa Italiana was in process when this was written and will be reported next month. 250 folks are expected to attend.

The Kevin Gourley Tootsie Roll Drive coordinated by Brother Dave Frankenberger raised \$2,570. Thanks to Dave and all the Brothers who helped with the collection at each of the Masses.

Brother Dave Frankenberger also coordinated the Parish Census which is one of the Council's activities which contribute to the functioning of the Parish. Again thanks to all of you who participated in the census as this was a particular challenge on the Sunday of the Anniversary Mass.

November will provide several opportunities for your participation in the Council's charitable events.

Brother Paul Calderon has requested help with the Memorial Mass at St. Augustine's Cemetery on Veteran's Day the 12<sup>th</sup>. A Signup Genus link will be sent out for you to sign up to help out.

The Ron and Nancy Silva Coat Drive is on Tuesday the 13<sup>th</sup>. Brother Bob Wolf is coordinating this event and he can use your donations for the distribution in Hayward. Please bring donations to the November Business Meeting or contact him directly at [bob.wolf@comcast.net](mailto:bob.wolf@comcast.net)

Our last event is the distribution of Thanksgiving food baskets on Sunday the 18<sup>th</sup> which is coordinated by Brother Robert Strawn. Please contribute to the St. Vincent de Paul food collection areas in each church and look for the Signup Genus for you to volunteer with the distribution. (Continued on next page)

## Report on the Patriot (4th) Degree

### WHAT THE ASSEMBLY DOES

The Patriotic Degree of the Knights of Columbus is committed to the preservation of our Church, Our Order and to the many nations where Knights serve. We serve as examples of Christ's presence in the world.

At some point in our lives, there comes a time when we realize that our Christian duty extends Beyond our own lives, beyond how we lead our families and into how we serve our fellow man. This is what defines the Knights of Columbus and by joining the Patriotic Degree, you have the opportunity to take that duty one step further.

Members of the Patriotic Degree in various Assemblies proudly foster patriotism in each nation in which we are active by:

- \* Working to honor and protect symbols of national pride
- \* Facilitating voter turnout on election days
- \* Participating in national holiday celebrations
- \* Honoring veterans for their service and sacrifice
- \* Honoring our first responders
- \* Teaching personal responsibility in civic affairs
- \* Taking a publicly visible leadership roles on important national and moral issues.

Not every Assembly has been able to complete these goals, but as more members join, we can undertake more opportunities to participate. All third-degree Knights of our Council should consider participating in our Assemblies next Patriotic Exemplification on February 2, 2019

The Color Corps is an elective division of the Patriotic Degree whose distinctive presence in parades, wreath-laying ceremonies and Catholic functions is a visible reminder of our service to the Church and community.

# 40 DAYS FOR LIFE™

"For it was you who formed my inward parts; you knit me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; that I know very well." Psalm 139:13-14

Dear Friend for Life,

You won't believe this! Here is the precious story from our vigil in Walnut Creek yesterday!

"I was going to get rid of them....but I just couldn't do it!" These were the words of a young--almost 19 year old woman--who came toward me on the sidewalk about 15 minutes after walking up the ramp and into the Planned Parenthood Building. She had been scheduled for an abortion at around 11am this Friday morning, and appeared to ignore my initial offering of help; of information and resources as she walked into the building without looking at me. Another one lost, I thought. And, then I added my own silent prayer, "Lord, please help her, and help her baby." My heart sighed as I turned back to our group, and said goodbye to a couple of vigil volunteers who were changing shifts. But then, just a short 15 minutes after entering, I saw the same young woman with her friend exiting the building. And she directly walked over to our small group of 4 on the sidewalk. I went up to her, smiled and said, "Would you like some information about free pregnancy resources in our area?" And she replied, "Yes, yes I would." So, I launched into the resources that we had available in the flyer, pointing out the different stages of development, the risks of abortion to women (both physical and emotional) and indicated where she could go for free pregnancy care, testing, etc. During the course of our dialogue I asked her if she knew how far along she was, and she smiled and said yes, "12 weeks. They're 12 weeks old." I did a double take, and said "Twins? You know they're twins?!" And, she said, "Yes! I had an ultrasound at a clinic in Antioch, and they scheduled me today for an abortion here. I was going to get rid of them...but I just couldn't do it!" "Oh my goodness...thank God!" I exclaimed. I told her, "You will be SO relieved with your decision to give them life." And she agreed. In fact her friend, referencing the info on the pamphlet then exclaimed, "Your babies have FINGERNAILS!" I will NEVER forget that moment, that line, and that realization that they both had that these were babies growing inside her. It humanized her babies for her.

So praise God, praise His timing,  
praise His and Our Blessed Mother's intercession.  
Life is beautiful, life is precious, and yes, life has fingernails!

We invite you to pray and fast to change hearts and save lives! We encourage you to sign up to pray with us on the sidewalk at 1357 Oakland Boulevard, Walnut Creek, during the Spring Campaign for 40 Day for Life in 2019

## Safe Environment Training for Council Members

A message to the Grand Knight from Lee Ann Harper, Office of Youth Protection, Manager, KofC Supreme

*As a general matter, the Knights of Columbus expects that those participating in Knights of Columbus sponsored youth programs or activities on diocesan/parish property comply with diocesan safe environment policies. The Order's main concern is that knights cooperate with diocese and be compliant with the diocesan policies for volunteers using diocesan/parish property. We encourage our members to comply with applicable diocesan safe environment requirements when using parish/diocesan property.*

*If you discover that a knight is conducting a Knights sponsored youth program on diocesan/parish property without having completed applicable diocesan safe environment requirements, we would expect and understand that you would act to prohibit him from continued participation in our youth program on diocesan/parish property. For the Order, it is sufficient reason for a parish or diocese to prohibit a Knights sponsored youth program because the participating members leading the youth program have not complied with the diocesan requirements, even if they have completed the requirements of the Knights of Columbus Safe Environment Program.*

*The Knights of Columbus Safe Environment Program training and/or background screening is in addition to the diocesan requirements. We take seriously our obligation to ensure compliance with our Safe Environment Program. On a weekly basis we review member compliance and follow up directly with members and their grand knights when members are noncompliant. When members are noncompliant they are removed from their youth serving roles.*

The Diocese of Oakland requires that all volunteers be trained to recognize and respond to the signs of abuse, to be informed of the reporting procedures and to learn how to safeguard the children and vulnerable adults in their care. Training is available thru VIRTUS and can be done on line or at a live training. Registration for either is mandatory. Trainings are available in Spanish and English. Check out the diocesan website for more information.

Bottom-line: we must follow the request of the Diocese and ALL VOLUNTEERS MUST take their training The knights training is in addition to the diocesan requirements.

The parish website includes a page on the training [<http://www.catholicsofpleasanton.org/safe-environment.html>]. The information on that page seems to cover most of the information on the comparable page for the Diocese [<https://www.oakdiocese.org/offices/safe-environment/safe-environment-and-victims-assistance?searchterm=safe+environment+training>]. The Diocese page does include access to locations scheduled for live training.

State Deputies, grand knights, and faithful navigators (if their assemblies sponsor a Columbian Squires Circle) are required to complete Praesidium's Armatus© youth protection training to help ensure that they understand the policies and procedures that members of the Knights of Columbus are expected to follow regarding the safety and well-being of young people served through the Order's programs and activities.

## Protecting Widows – A Founding Goal

As a member of this council, you know how important spouses can be to the charitable works of the Order. If you're married, your wife is probably involved in a few of the many events that happen each fraternal year. This support adds great value and impact to what a council can achieve.

When the Order was founded in 1882, Father Michael J. McGivney and the other brave men were setting out to protect Catholic families, but especially wives and children. Today, we remain committed to this mission by offering insurance products and fraternal benefits designed with that goal in mind. One specific policy rider that you may not know about is called Spousal Waiver of Premium. This rider is unique to the Knights of Columbus philosophy of helping our widows.

This rider is available on most permanent and Discoverer plans purchased at standard rates by a member and his wife on the same day. When both spouses apply, the rider provides for waiver of premiums on the spouse's contract in the event of the insured's death. Best of all, for members and spouses ages 18 to 60, this waiver can be added for no charge. The rider stays in effect until the spouse attains age 65 or certain other triggering events occur.

Our products are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all of your financial goals. To learn more about these solutions, contact me today.
